JOIN THE ADVENTURE

Den Meetings: At least once a month, Scouts attend a den meeting with a small group of boys in his grade level. Together they will work on completing the requirements in their handbooks and learning the skills they need to progress in rank. While these meetings include games and hands-on activities that are FUN, Scouts will also develop character, leadership, communication skills, and good citizenship. Please contact den leaders for scheduling.

Pack Meetings: Once a month all the dens get together to showcase all that they have learned in their individual den meetings, receive formal recognition for their accomplishments, and participate in FUN activities. Pack 1439 typically holds these pack meetings on the 3rd Friday of the month at the Ronkonkoma Middle School cafeteria at 7:00pm.

Other Activities: In addition to the den/pack meetings, we also participate in a family campout, Pinewood Derby, outdoor adventures, field trips, community service projects and military appreciation events.
