Den Dues

To help cover the cost of materials for projects and crafts, Pack 210 asks for \$2 per month (\$24 per year) in Den Dues.

Preferred for this to be paid weekly and have each den select a Scout to collect the money and take role. You can pay all at once if you prefer.

Camping

Pack 210 typically goes camping in the spring and fall each year. This is a family camping situation. Scouts can only attend with a parent or legal guardian. You are required to provide everything you need for the camp outs. There is also an associated cost with camping – typically \$12 for Scouts and \$6 for parents and siblings at Council events. If the Pack decides to go on a non-council event the cost may be more.

The Pack also participates in Resident Camp in the summer. This is a 4 day camping activity sponsored by Tuscarora Council. At Resident Camp your food is included in the cost of registration. The cost for Resident camp is usually \$125 for Scouts and \$50 for adults. The Pack has fund-raisers during the year to try and raise money to help offset the price of camp for any Scout that wants to participate.

Each new Scout needs to purchase a handbook and a uniform.

The handbook is very important. Even if you cannot get your uniform immediately, please make every effort to get a handbook as soon as possibly
